

Arizona

January 16th– 22nd

Our focus this week is on Arizona. TMM's goal and purpose for these prayer points is to re-establish and re-ignite the original purpose for America as a nation dedicated to the Lord God Almighty. We are praying for each state to arise to their prophetic destiny.

Prophetic Words over Arizona:

- The Lord Says, "I Am About to Do Something New!" Arizona is like a horse that had be bridled, and that it was the Holy Spirit, bridled by the spirit of religion. He spoke to me, "I'm looking for an unbridled Holy Spirit."
- The word over Arizona is "acceleration." God is bringing an acceleration to this State of the things of God.
- God's vision for Arizona is like the Ark of the Covenant coming into Jerusalem. It's like opening the gate in the spirit for the Lord to set up His throne.
- The glory of the Lord is coming to Arizona, because He wants to establish a stronghold in the spirit realm that enables Him to form a headquarters from which He can rule.
- Arise, Church! Arise, you cities of Arizona! Arise you believers and allow the light of God's glory to shine through you and into our land! Reveal Your power and presence through us and into our communities, cities, and State. Father God, make known the power of Your love, forgiveness, and salvation in Arizona.

Prayer Points:

- Arizona has been a contentious political battleground state. They have recently completed a full forensic audit for Maricopa County in which not all documents were shared and multiple rulings required
- President Trump had a large rally there Saturday the 15th.
