

Connecticut

February 13th– February 20th

The Holy Spirit gave Dutch Sheets a vision on July 21, 2021 how the official state seal for each state in America is similar to a signet ring, often seen in the Bible. The signet ring had executive authority and power. The Holy Spirit directed him to look at the motto of a state or nation. It is legally passed by their legislature to represent purpose, identity, or a general expression of their boundaries. It is a decree expressing the 'heart' or belief of that territory. "The Holy Spirit revealed that if the Ekklesia in each state will pray and decree this legal identity, then realignment with it will begin to take place, and it will also activate the Hosts of Heaven. The kingdom and power of God will back the decrees and release angels of alignment. It is now an opportune time for the people of God to decree and agree with the 'definition' of the territories. We must declare into the atmosphere of our region its intended purpose, in order to bring forth its fulfillment."

Connecticut is recognized as "The Constitution State."

Chuck Pierce Prophesied: "This State has a greater mantle of revival than any other state in New England." God is going to cause something in Connecticut that will make the nation take notice of this state. Right now, God is ready to do something sovereignly in Connecticut that will cause the very root of His nation to rise up in a new way. This state is getting ready to make a shift. We're getting ready to walk in the favor of God wrapped around our feet instead of the snares of the past. There will be a gathering at Yale that will ripple throughout the world.

God says this is a state that he is ready to give favor, connect, penetrate and pull together. My people are walking in favor; they will walk from city to city and hundreds will be drawn into my Kingdom spirit because of it. The Lord is about to open a new Door to Authority. Get ready!

The Glory of the Lord will be poured out over Connecticut.

A Brief History of Connecticut:

English Settlers in 1639, in recognizing their need for a form of government, wrote the world's first Constitution called the Fundamental Orders. This was the first written document in history to create a government of limited powers. Its primary goal was the preservation of "the Liberty and Purity of the Gospel of our Lord Jesus Christ." They were known as the provision state, because they were the main supplier to the Continental Army and saved the troops at Valley Forge. They continue to be a main supplier to our Armed Forces.

Our Prayer Focus this week for Connecticut:

Their motto is: "He who transplanted sustains. God has planted us here and He will sustain us." This is based on Psalm 80.

1. We honor their history and ask that the Lord will bring a new alignment in the spirit to incite revival throughout Connecticut and the New England states.
2. We ask the Lord for a spiritual revival and awakening at Yale University. It was established by colonial Clergymen in 1701. Re-dig and restore the godly foundation of this state's education and university system.
3. Raise up righteous leaders in all 7 Mountains

Key Facts for Connecticut:
