

New York

July 10th - July 17th

Prophetic Meaning: "His Kingdom State" and The Empire State State

Motto is: Excelsior (Higher) "Ever Upward!" Excellence in morals, Culture, and Government

Joseph Askins declared "Our Empire State will become His Kingdom State!" The watchword was "connect" which was repeated at all the cities in New York they visited. This didn't mean that every Christian was going to connect, but rather a remnant would connect and God would release authority to the remnant to legislate in the heavenlies. God is going to judge the state of New York by their willingness to come together and worship at different times throughout the year, regardless of the circumstances!

The Lord released a flaming sword to Chuck and Dutch that released an anointing to govern and legislate from the heavenly realm over governmental structures that have been resisting God's moves, and declare that the gates of New York are open to the King of glory! Chuck released a word from the Lord that there would be 60 revival houses throughout New York State that would spring up over the next year. Also he was given a word to declare that the occult power of Free Masonry would begin to be dismantled; and the effect of free masonry in this nation would begin to be exposed.

In May 2021, Cheryl took a prayer team to New York State. One of the things we did was trace the Inauguration of George Washington in NYC. Immediately after being sworn in as the 1st President of America, he went to the St. Paul's Chapel to worship and pray.

Then we went to Central Park to pray and take Dominion at the over 3500-year-old Egyptian Obelisk in the Park. The Egyptians would sacrifice babies to their gods and this hideous obelisk brought that mindset to New York. We all knew there was a demonic stronghold in New York City and the NY Legislature had just passed the late term abortion law up to the moment of birth. research, I learned in research New York had legalized abortion in 1970, 3 years before the Roe vs. Wade ruling from the Supreme Court. Of note is that several years ago, Chuck Pierce and Dutch Sheets agreed that the cities with the strongest strongholds in America are Chicago, New York, Los Angeles, and Detroit.

Prayer Focus for State of New York:

- Pray more Christians would run for, win, and succeed in government offices.
- Pray the judges in New York would judge righteously, and that abortion would become illegal and the sanctity of marriage would be declared to be between only a man and a woman.

- The corruption and soft on crime stance would change to defend all citizens.
- The crime wave of soft on crime District Attorneys would end with a heart change in this state.
- Decree the Preamble of the State of New York: "We, the people of the State of New York, grateful to Almighty God for our freedom..." New York, you are a battleground state. Lord, we join with the boots on the ground in New York, shoulder to shoulder.
- The education system in New York is completely owned by the unions. Pray that School Choice would be given and Christian Schools would rise up in New York.

The Remnant is small and mighty, but need revival and awakening in hearts and minds to shift, New York.

A good number of years ago, David Wilkerson had a vision of 1000 fires coming to NYC. They also just had a drill on nuclear and chemical weapon attacks. "An earth-shattering calamity is about to happen," he writes. "It is going to be so frightening; we are all going to tremble - even the godliest among us." Wilkerson's vision is of fires raging through New York City. It will engulf the whole megaplex, including areas of New Jersey and Connecticut."
