

North Carolina

July 18th-July 25th

North Carolina Motto: To Be Rather Than to Seem

North Carolina Capital: Raleigh, NC

Prophetic Meaning: "Shifting into a Release of Wealth"

Chuck Pierce declared, "Now hear me, some of you must shift out of the old position that you are in and into the new place."

Pray that the shift will occur from the old into the new.

North and South Carolina, get ready for a visitation. Call the Carolinas to choose righteousness and come into their destiny as leaders in purity and holiness Nothing can stop it now! Revival has already started in North and South Carolina.

The Covenant Partners of TMM spent time at Prayer Mountain in North Carolina. It is known as the second most angelic portal after the Mount of Olives in Israel.

The Moravians were missionaries to America who prayed 24/7 for over 100 years for revival and the salvation of souls. We had a tremendous time of worship, intercession, prophetic decrees and proclamations in Moravian Falls. Rick Joyner, of Morningstar Ministries, must personally approve every group that comes to their retreat center. Cheryl received a Moravian impartation after driving the van on Prayer Mountain at 6 AM. Emily saw the angels who said they'd been waiting for us for 50 years to uncap the Moravian blessing over America. Needless to say, it was a breakthrough moment for everyone on the retreat.

Prayer points.

1. Pray that the churches will rise up and put on the spirit of purity so that revival would break forth.
2. Pray against the spirit of antichrist that is trying to remove all mention of God from public places and even the removal of "One Nation Under God" in the courtrooms.
3. Pray that the favor of God and man would come upon the believers (Luke 2:52).
4. Pray for reconciliation of the Native Americans in North Carolina and also that they will receive the spirit of joy to replace rejection, sorrow, hopelessness, depression and suicide that many have struggled with.
5. Pray for exposure and dismantling of Free Masonry, Knights of Pythias, New Age groups, and Wicca, and that the demonic gate holding back the river of life from flowing in and through people's lives will be opened. Also, that the spirit of blindness would be removed from their hearts and minds to hear and receive the gospel of Jesus Christ.
6. Pray that God will redeem the land and restore the first fruits of harvest naturally and spiritually causing miracles with signs and wonders to manifest in North Carolina and the earth

7. Pray that believers will protect what comes in and goes out of the eye gates, ear gates and mouth gates.
8. Pray that God will cleanse and heal North Carolina and the nation, because they have been defiled by injustices, the sin of greed, and sins of our forefathers.
9. Pray that the spirit of perversion would be broken off the government and that leaders will be accountable in their words and character.
10. Pray for reconciliation among the blacks and whites of North Carolina and that they will love one another as Christ commanded.

We all decree now, “Strongholds in America, come down! Demonic influence, be removed! Fire of God, fall! Church, be awakened! Unbelievers, be saved! Evil in government and education, be exposed and removed! Young generation, receive the greatest revival planet earth has ever experienced! Prodigals, come back to Father!”

North Carolina was named after Charles II of England.

The Preamble of the State of North Carolina: “We, the people of the State of North Carolina, grateful to Almighty God, the Sovereign Ruler of Nations, for the preservation of the American Union and the existence of our civil, political and religious liberties, and acknowledging our dependence upon Him for the continuance of those blessings to us and our posterity, do, for the more certain security thereof and for the better government of this State, ordain and establish this Constitution.”

North Carolina, reconnect to your true identity now! He IS YOUR PEACE, Carolina, and He has made your two parts (North and South Carolina) ONE, yes, ONE. Quit saying North Carolina, quit saying South Carolina, say “The Carolinas”, and this will affect all (Tarheel State).

In 1960, a thirst for justice led African American students to sit down at the Woolworth lunch counter in Greensboro, North Carolina. It was one of the very first civil rights sit-ins and it started a movement all across our nation. Clarence Henderson was 18-years-old when he took his place in history.

“In 1963, Reverend Martin Luther King, Jr., stood here on these very steps [at the Lincoln Memorial] and called on our nation to live out the ‘true meaning of its creed,’ and ‘let freedom ring’ for every citizen all across our land.”

A great Historical Moment in North Carolina: Congress reaffirmed federal supremacy over Indian affairs in the two Cherokee cases, Cherokee Nation and Worcester. A deeply split Supreme Court held that the Cherokee Nation was a domestic nation, but neither a state nor a foreign nation.

In the second case, the Court held that the state laws had “no force” in Indian country, barred under the Supremacy Clause by federal statutes and the Cherokee Nation’s treaties with the United States. Id. at 561. Of course, the Court’s decision favoring the tribe did nothing to prevent the political and military process that eventually forced the Cherokee people to undergo the Trail of Tears.

One of Cheryl Weaver's ancestors won the Supreme Court ruling which would have stopped the Trail of Tears.

On a cold December morning in 1903, a miracle occurred over the dunes of Kitty Hawk, North Carolina, when two bicycle makers from Ohio defied gravity with a 12-horsepower engine.
