

Alaska

January 8th – 15th

Alaska is My Alpha and Omega state." It is where things begin and where things end. "Tell my people to move forward and not back into yesterday! Something aborts you from moving into the new and you slip back in the old pattern. Break the cycle and move into the new! The Lord says, "**Alaska is the Gateway of the nation to the Ancient of Days!**" God has assigned Alaska as a sentinel and a vanguard for North America. Alaska will open the doors for the glory of the Lord to sweep through North America. From Alaska the Spirit of God will fall and your people will be sent to train prophets and intercessors.

Chuck Pierce, September 21st, 2021 Prophecy: The Lord says, "Alaska is going to have a fire as a sign, and then it's going to have an explosion as a sign, and then it's going to have a trembling as a sign, and then it will have an outpouring, like never before. And I send you back for the outpouring. I say right now, the outpouring is on its way!" And the Lord says, "I've reserved you for a time as this, because they'll need wisdom in the outpouring. Get ready, an outpouring is in process!"
