

Oklahoma

Prophetic Meaning is: "The Open Heaven State"

Prophetic Decrees over Oklahoma:

God told Chuck Pierce, "Go to all tribes that exist in Oklahoma and take to them a gift that says I AM in your midst and I AM coming to visit and invade and restore and reconstruct them. Visit each one this year and in your visiting, I will visit and the glory that I have will flood this land." To Bill Sanchez, gatekeeper of Norman, OK where the Univ. of OK is: "Go to that campus gate and declare that I will interrupt the sports events. I will invade the campuses, and it will be seen in the nation." He also said, "When you see clearly and you see the blockage of those that didn't have a heart for My glory, I will remove that blockage, and then I will give you the plan of completion. Mourn first, then rejoice, for completion is coming." (History has shown that the broken covenants with the Natives and their bloodshed have defiled Oklahoma. Contributing to further defilement of the land is Freemasonry which has become the seedbed for all other forms of occult practices.) Pray against all occult practices and pray for complete reconciliation among all the people of Oklahoma.

The Spirit of the Lord is releasing fresh fire upon the state of Oklahoma. The fires of revival are increasing and beginning to spread like wildfire. God is highlighting you, Oklahoma, for such a time as this. Wells Are Reopening: I began to see old wells of the spirit that were formerly dug by men and women of God being reopened. The fervent cries of hungry and thirsty believers have begun to tip the bowls of Heaven. The sound of intercessors crying out for more is breaking open the wells of revival from every First Nation tribe in Oklahoma to the word of faith movement and from the Baptists to the charismatic movement. Wells are breaking open, streams are converging. It's time for an awakening. A fresh outpouring is stirring from deep within Tulsa. It's time to come alive and be set ablaze, city of Tulsa. The Lord has marked you as one of the key cities in this nation to be a forerunner and to be a place known for hosting His presence. The Spirit of the Lord says, "This fire in Tulsa will be driven and fueled by My presence. The incense is rising and the fragrance of My glory is going to be released through the sound of worship. Let the vibration of spontaneous, prophetic worship breakout." I hear

the Lord laughing, "Yes, the unrehearsed and unexplainable is about to take over your church services and gatherings. Ha ha ha! Let the joy come."

Oklahoma, we bless you as "The Open Heaven State". Harvest Oklahoma! "I heard the Lord say, "I am present in this state. Dutch Sheets "Get Ready Oklahoma! The Spirit of the Lord is releasing fresh fire upon the state of Oklahoma. (Isaiah 22:22) Oklahoma, it's your time, now!"

Oklahoma has been called for the healing of the nations. The glory of God is coming from Houston to Tulsa and from Tulsa to Houston. It will shake loose religious structures that have formed. There is a powerful healing movement from Tulsa to Houston and God will draw people from all over the world to Tulsa to Houston. Tulsa is a meeting place of Confederations and tribes. Tulsa's identity is what its name means= "the gathering place". God is drawing people together out of every tribe and yet we are from the same pot. Acts 17:26 There is no room for prejudice. We all have a different flavor but we are one blood in Jesus Christ. The new place on the river called "The Gathering Place" is symbolic. The world didn't realize they were taking a name that God already had on this city. Tulsa will be like the capitol of North America for the Gathering of Tribes (I'm not just speaking of Native American tribes but all people groups.) Tulsa will become a governing city with national and territorial authority. Tulsa will become a capitol of the First nation's peoples of North America. When God drove the 5 Civilized Tribes to this land and their covenant was violated. The Lord says, I have come to restore you. This entire nation will be restored by a move of My Spirit across the land. The Holy Spirit will bring reconciliations among people. This is a Big Call to a City and this is who you are and who you were meant to be.

Prayer Points for Oklahoma:

Taking Dominion has been done there by many prophets and pastors, but a fresh dominion is required for this time in Oklahoma.

As a member of Glory of Zion where Chuck Pierce is the apostle for 20 years, I learned through research that many African Americans became Freemasons because they paid for their funeral expenses in the 1800's and early 1900's. We repent for this deception and treachery to entrap them in Freemasonry.

Many Oklahomans live every day, with poverty and limited access to primary care. Oklahoma's high prevalence of smoking, uninsured, and premature death rate as some of the state's biggest challenges. Oklahoma national ratings are 43rd overall with Health Care 48th, Education 42nd, Economy 37th, Crime & Corrections 34th

Pray for the godly leaders to be raised up to take the state to its rightful position as a Gathering Place of Tribes and all native people.

State Capitol: Oklahoma City, also known as the Sooner State

Oklahoma Territory was originally known as the Unassigned Lands, and at the time of the Land Run of 1889 it was officially titled the Oklahoma District and popularly called the "Oklahoma Lands," an area of about two million acres. Oklahoma became the 46th state in 1907, following several acts that incorporated more and more Indian tribal land into U.S. territory. After its inclusion in the union, Oklahoma became a center for oil production, with much of the state's early growth coming from that industry.

Many African Americans migrated to Oklahoma, considering it a kind of "promised land." When the Land Run of 1889 opened yet more "free" land to non-Indian settlement, African Americans from the Old South rushed to newly created Oklahoma.

Oklahoma has many native Americans because of the Indian Removal Act of 1830. The Cherokee, Chickasaw, Choctaw, Creek and Seminole nations – known as the Five Tribes – were forced from their ancestral homelands in the southeast and relocated to "Indian Territory," as Oklahoma was then designated.
