Oregon Prophetic Meaning - "The State to Throw Jezebel from the Wall"

Several known prophets have prophesied that the prophets and spiritual intercessors in Oregon have been given the assignment to take out "Jezebel," which will facilitate revival around the globe. Chuck Pierce and Dutch Sheets declared that Oregon will have (or has) the authority to see the Jezebel spirit torn down over the entire nation. As a result, what is prayed, prophesied, and decreed from this state (along with other states, of course, but there is a special anointing in Oregon) will help to determine much of what happens in revival nationwide and worldwide. Pray that prophets will flock to Oregon in larger numbers to defy the prophets of Baal and the spirit of Jezebel, and throw that spirit down--not as an act of the flesh but by the blood of Jesus. Pray that no one will try to take on Jezebel alone, (unless called and anointed by God to do so), but corporately, in larger corporate gatherings to stand, in unity, against that which stands against God and His servants and friends, the prophets.

It's significant that Elijah List and Elijah Streams founded by Steve Schultz is headquartered in Albany, Oregon. Steve and his wife lived in the DFW Texas area for several years where they spent and were raised up by Chuck Pierce, Cindy Jacobs and Dutch Sheets. His daily prophetic words and interviews have been a tremendous resource for the body of Christ

Prayer Focus:

The Body of Christ would rise to their prophetic destiny The State to Throw Jezebel from the Wall

Blessings and prayer cover for Elijah List and Streams that have pioneered a new move of the prophetic over the past 25 years.

Politically it is very liberal and wouldn't stop the Portland Riots even when government help was offered. As a result, several counties are trying to be annexed by Idaho. They've had their fill of CRT, Woke Ideology, and Weak District Attorneys that won't uphold law and order.

A true blaze of Revival would sweep across Oregon to bring down Jezebel from the ruling authority to set America Free!!!

Oregon State: Motto is: " She Flies with Her Own Wings" also known as the Beaver State because it's the top lumber producer in the contiguous states. The lumber industry dominated the state's economy during the 20th century.[12] Technology is another one of Oregon's major economic forces, beginning in the 1970s with the establishment of the Silicon Forest and the expansion of Tektronix and Intel. Sportswear company Nike, Inc., headquartered in Beaverton, is the state's largest public corporation with an annual revenue of \$30.6 billion.[13]

Oregon is one of the most geographically diverse states in the U.S.,[10] marked by volcanoes, abundant bodies of water, dense evergreen and mixed forests, as well as high deserts and semi-arid shrublands. At 11,249 feet (3,429 m), Mount Hood, a stratovolcano, is the state's highest point. Oregon's only national park, Crater Lake National Park, comprises the caldera surrounding Crater Lake, the deepest lake in the United States.
