Prophetic Declarations over Rhode Island: The Miracle State

It was brought out that a sweeping move for repentance will come to Rhode Island that will cause miracles to happen across the state. Another statement was that the government of Rhode Island will see that God is present in the state. It was pointed out that there is demonic assignment (Jezebel spirit) to "weaken male leadership--fathers, pastors, Christian and unbelieving men alike, spiritual sons of the state, and apostolic authority. It attacks by way of fear, passivity, religiosity, immorality, self-sufficiency, physical affliction, distraction, spiritual blindness and hard-hearted apathy.

Prayer Focus for Rhode Island:

1. Pray for leadership and personal revival that will raise up an army of spirit-filled people to heal a nation.
2. Pray for a hedge of protection for spiritual leaders of Rhode Island from addictions, divorce, control, witchcraft, criticism, etc.
3. Bind the weaknesses of the independent spirit, evidenced by self-sufficiency, isolationism and division.
4. Loose the strength of the independent spirit--that which is necessary to pioneer and chart out new truths, revelation, fearlessness in Christ in confronting "giants".
5. Pray that the pastors will not fall prey to a passive leadership style.
6. Loose unity, peace to oust confusion, spiritual discernment, pastoral friendship and love.
7. Pray that the intercessory prayer coordinators from differing streams and cities would come together at the Rhode Island State House.
8. Pray that the state officials will be open to receiving prayer and the establishment of a prayer room in the State Capitol Building.

Rhode Island State Motto: Hope, State Capital is Providence, Ocean State is their nickname

Roger Williams named the capital Providence for the blessing of a refuge from religious persecution in Massachusetts

It is the smallest state but has over 400 miles of coastline
It was the First State to Abolish Slavery
