

Hawaii

March 14th – March 21st

The Hawaii Motto is “The life of the land is perpetuated in righteousness.”

Chuck Pierce and Dutch Sheets have prophesized that “Hawaii is the Pentecost Harvest State.”

It is time to take dominion over the land in prayer, position and posture through planting and evangelism. This is the hour to take back what has been taken deceptively and deceitfully taken from the Body of Christ.

Prayer Points for Hawaii:

1. Pray for an increased level of Unity the Body of Christ and a greater sensitivity to the Holy Spirit
2. A heart to re-dig the Well of Revival in Hilo where they had one of the largest churches in the world with over 10,000 believers in the early 1800's. Then over 96% of Hawaiians received Christ vs today only 3% are Christian.
3. Pray for the safety of the military bases and personnel. Especially with North Korea's missile capability and China's aggression in the Pacific and south China seas.
4. Pray that the Lord would break the Domestic Abuse pandemic in Hawaii. It is one of the top 5 states for abuse.
5. Christ would reign in the 7 Mountains in Hawaii.

Brief History of Hawaii: the State Capital: Honolulu. They became the 50th state in America in 1959.

Nearly 200 years ago, Hawaii boasted a revival, out of which grew the largest Protestant congregation in the world of that time. Before 1820, the Hawaiian Islands had never encountered widespread Christianity. But that was about to change. As the Second Great Awakening traveled around the United States, it also spread outside its borders.

Interesting Facts:

Mount Kilauea, the most active volcano in the world.

It's the only state made entirely of islands. Although the state is best known for its eight major islands, it has 136 islands in total.

It's the only state that has 2 languages: English and Hawaiian. The Hawaiian alphabet only has 13 letters.

Hawaii, exactly 180 degrees around the earth from Israel—are going to worship Him! The coastlands are going to worship Him as well.
