Nevada: (Silver State) Motto: All for Our Country the Transformation State

Chuck Pierce proclaimed that God is ready to deal with a bitter root that is in Las Vegas that is affecting this state, and that is going to cause, instead of bitterness, a move of healing to spring forth. Nevada will be known as a refuge for California. Chuck prophesied, "Get ready, for healing will spring forth in this desert. I've been putting seeds in the dry barren place. I bring travail and bring birth pangs there.

Dutch declared, "I saw an incredible move of the supernatural into this region through the river of God. This move of the river was going to heal, but also going to bring resurrection life and salvation....I am coming with the river of My Spirit into the schools.... It will come in through the students...through the miraculous...A fire is going to begin to burn...It will be a student-led movement that will disrupt schedules. Dutch declared, "Something is happening in this state that is going to release billions of dollars for the harvest and for the Kingdom of God. Across the nation, works of God will be funded because something was broken in the heavenlies over Nevada.

I saw Nevada becoming a Spiritual Oasis in the Desert where many will come to drink from The Waters of Revival and Restitution. It will be a place of Divine Encounters and supernatural visitation. Nevada will become a hotspot for the Revival, no longer a land in The Valley of Decision, but a land that shall become A Holy Habitation for The Glory of Heaven that will bring supernatural Change and Transform to the land.

INTERPRETATION OF NEVADA PROPHETIC FLAG

The Decrees & Visions: "TRANSFORMATION STATE" God is dealing with a bitter root in this state and declares that instead of bitterness, a move of healing will Spring forth. Get ready for a mighty move of healing to spring forth in this desert. I have placed seeds in the barren place that will be brought forth through travail and bring much reproduction. Transformation comes as you reflect Gods glory and image. You will put on a new garment and be known as a place to receive deliverance, healings, miracles, discerning of spirits from this powerful river of God presence that is coming forth. This river will bring resurrection life.

IMAGERY VISION ON FLAG: A pierced hand of Jesus is extended with His blood that turns into the river of God. Rivers are symbolic of Holy Spirit. Jesus releases the fullness of Holy Spirit who ushers in

miracles, signs and wonder. Because of the blood we have been made joint heirs with Christ, and because of the Holy Spirit we can have this revelation, so the river forms into a crown of sonship.

The background of the flag is in swirling leafy greens to symbolize salvation & new life, abundance, growth and no barrenness.

'The vision for this flag was gleaned from excerpts from the book, "Releasing the Prophetic Destiny of a Nation" written by Dutch Sheets and Chuck Pierce. This book was written from the call of God on their lives in to go to each state in America to link with ministries in that state and decree the destiny of God for that place and stir up a prophetic army of intercessors for America.

Prayer Focus Points:

1. Nevada is a battleground state. I haven't dealt with the corruption and fraud in the political realm which has impacted the other seven mountains.
2. There are several very strong moves of the spirit that are beginning to make impacts across the state.
3. There is a critical US Senate race in November for which Adam Laxalt has been endorsed by Donald Trump
4. Prayer is needed for the apostles in Nevada. They include Apostle Paul Goulet at the International Church of Las Vegas in Las Vegas and Mike Thompson who is a frequent guest on Elijah Streams.
5. That no political machine in this state will remain except the one ordained by Christ for a free and godly society, That the people elected or reelected into office in this state this year will have integrity, will not enact laws and policies strictly according to party lines and will be at least respectful of Biblical principles. That those who are in office who are corrupt and self-serving at the expense of the people of Nevada—whether they are up for reelection or reappointment, will be removed by the Lord and that godly men and women will be replaced this year.

Nevada History and Highlights: Capital is Carson City. Nickname is Battle Born State because it was one of 2 states that became a state during the Civil War. President Lincoln was grateful for its mining resources and patriotic support to help win the war. State motto: All for Our Country Nicknamed the "Silver State", Nevada is the largest gold-producing state in the U.S. and fourth-largest in the world.

Nevada has more mountain ranges than any other state in the U.S.

Nevada was the first state to ratify the 15th amendment to the U.S. constitution which prohibits the states and federal governments from denying a citizen to vote based on that citizen's "race, color, or previous condition of servitude."

The Preamble of the Nevada Constitution: We the people of the State of Nevada Grateful to Almighty God for our freedom in order to secure its blessings, insure domestic tranquility, and form a more perfect Government, do establish this Constitution.
